To Whom It May Concern,

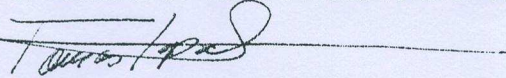

We are very pleased to provide a reference for Hookys Roofing Pty Ltd.

Glen and his team:

- Provided a competitive and accurate price;
- Provided an accurate starting and completion date;
- Negotiated all relevant permits from our local council;
- During construction, secured the area to ensure safety for us and passers by (particularly challenging given our busy road);
- During construction, cleaned and cleared our property of equipment at the end of each day;
- Cleaned the property and removed all rubbish at the conclusion of the job.

We found Glen and his team to be extremely approachable and helpful.

We invite any prospective client to drive by our property to inspect our new roof or contact us for a verbal reference.
