Dear Glen

Both Trish and I would like to thank you and your staff for the excellent job you performed on replacing our tile roof with colorbond. We were impressed with your professionalism in handling all aspects of the job. One that stands out was the concern that you showed when you had to tarp the roof for the long weekend and the weather was not favorable; you contacted us on a number of occasions over that long week end to see if there was any water entering in under the tarps. Your concern was greatly appreciated.

We would highly recommend Hooky's Roofing to anyone that is thinking about re-roofing.

Once again Glen thanks you for a fantastic job well done.

Best Regards

Paul Carfrae
